REACH Declaration

LSEZ "Jensen Metal" SIA

Date: **12.10.2014**

Page: 1

LSEZ "Jensen Metal" SIA hereby declares that we are aware of our obligations pursuant to REACH.

Legislation comprises:

- EU Regulation no. 1907/2006/EC (concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), establishing a European Chemicals Agency)

The abbreviation *REACH* stands for **R**egistration, **E**valuation, **A**uthorisation and **R**estriction of **C**hemicals. The aim of the European Union with the REACH Regulation is to improve the way in which chemicals, chemical products and articles¹ are administrated in Europe.

¹ Articles as defined in the REACH Regulation 1907/2006/EC.

Consequences for Jensen Metal:

On the basis of the materials and ancillary materials used by Jensen Metal, which are also covered by the provisions of the REACH Regulation, Jensen Metal is deemed to be a "downstream user". As a result, Jensen Metal does not have any liability to register.

Jensen Metal regularly requests from our suppliers the information necessary to meet our obligations according to REACH.

Furthermore, Jensen Metal declares that we do not use suppliers outside the EU.

Yours faithfully

Lars-Bo Christensen, CEO
